

BENTLEY CONTINENTAL GT

Year : 2005

£000.00 GBP

Finished in Silver Tempest with Contrasting Portland Hide Interior.

First registered on the 8th July 2005, this stunning two owner example has covered just 33,482 miles. In true testament to the previous owners the car has been lovingly cared for and looked after. It comes with a comprehensive history file with accompanying invoices , receipts and other relevant documentation.

No expense has been spared during the maintenance programmes the car has undergone and we highly recommend a full inspection and test drive.

The car comes complete with a personalised number plate included and optional fitted extras include, Veneered door panels, Space saver spare wheel, 19" 7 spoke alloy wheels, Heated leather electric front seats and Navtrak.

" This is not your average Continental GT "
