

BENTLEY CONTINENTAL R

Year : 1998

£69,950.00

Finished in Red Pearl Mica metallic, trimmed in Magnolia hide with contrasting red secondary detailing and red carpets. The interior colour scheme is complimented well by the traditional Burr Walnut veneered fascia.

RR&B Garages have known this car since 2009 and supplied to the current owner in 2011.

It has an excellent service history having been maintained to the highest standards and has covered 52,500 miles.

This car has recently received a hydraulic service and new upgraded front brake discs and will receive a No2 schedule service prior to delivery to the new owner.

This car is a true pleasure to drive and viewing is strongly recommended to fully appreciate the condition and provenance of this beautiful motor car.
