This beautiful 1935 Rolls-Royce 20/25 is absolutely stunning inside and out, the interior carpets seat trim and headlining are in impeccable condition, the body work also reflects the time and care that has gone in to the way in which this fabulous car has been lovingly cared for.

The engine runs and drives beautifully and we recently fitted a new clutch assembly for the owner.

The car has been maintained and serviced to a very high standard and a full inspection and test drive are highly recommended.
