

## **ROLLS-ROYCE SILVER SPIRIT III**

**Year : 1996**

**£00,000 GBP**

Finished in Royal Blue with contrasting Magnolia Hide Interior

This superb example was first registered on 31st May 1996 and since then has had just four custodians. Having only covered 20,877 miles from new her condition is a testament to the way in which she has been lovingly cared for and looked after.

She has recently under gone a full brake and hydraulic overhaul , a full engine service and four new tyres with no expense spared.

There is a comprehensive service file to accompany the car with receipts and invoices to match.

We would highly recommend a full inspection and test drive to fully appreciate this stunning , rare and much sort after model.
